4 Environments We Create

1. Environments with Biblical methods
2. Environments where people can be secure
3. Environments where people are healed
4. Environments where people grow

Start talking. Find a conversation starter for your group.

- What's your favorite animal? Why?

Start thinking. Ask questions to get your group thinking.

- What do you think of when you hear the word "family"?

Start sharing. Ask questions to get your group talking.

- What part of the ESPN (encourage, scripture, prayer, next steps) method do you find the most value in?
- Do you feel safe in your group? Why or why not?
- Why do you think God brings healing into our life through other people?
- Do you have a story of having a breakthrough moment encouraged by someone else when you couldn't do it on your own?

Start praying. Be bold and pray with power.

- *Father God, thank you for a church committed to creating Biblical, secure, healing, and growing environments. In Jesus' Name, we pray, AMEN.*

Start doing. Commit to a step and live it out this week.

- What's one step you can take this week to live out the message in your life?
