Key Ideas

How We Help People Become Doers

1. Help people discover their gifting
2. Help people develop their gifting

Start talking. Find a conversation starter for your group.

- Are you good with creating things with your hands? What is the thing you've created that you're the proudest of?

Start thinking. Ask questions to get your group thinking.

- What do you think of when you hear the word "purpose"?

Start sharing. Ask questions to get your group talking.

- What would other people say is unique about you?
- Do you believe that you're important? Why or why not?
- Where could you use developing in your life? Where can you find that? Who can coach you?

Start praying. Be bold and pray with power.

- *Father God, thank you for a church committed to helping people discover and develop their gifting. In Jesus' Name, we pray, AMEN.*

Start doing. Commit to a step and live it out this week.

- What's one step you can take this week to live out the message in your life?
